

EMAIL 1. Write an email from a student to their professor requesting an extension on an assignment submission deadline.

SUBJECT: Request for Extension on Project Submission Deadline.

Respected Sir,

I hope you are doing well.

I am writing to request a small extension of time to submit my project for the course "DIGITAL LITERACY." Due to a network issue, I was unable to complete the assignment to the standard I wish to uphold. I am aware of the need to complete work within a specific time frame. I am truly sorry if I have caused any inconvenience. I would like to request an extension till 2nd April 2026. I would be able to submit a well-prepared project if I am given some more time.

Thank you for your time. I appreciate your understanding. I am grateful to you.

Yours sincerely,
SONALI
